

### They Never Fail.

No. 3 FULTON MARKET,  
NEW YORK CITY,  
January 26, 1884.

I have been using Brandreth's Pills for the last ten years. They are a wonderful medicine. There is nothing equal to them as Blood Purifiers and Liver Regulators. But I wish to state how remarkably they cure rheumatism, and how easily; I was affected by rheumatism of the legs. My business (wholesale fish dealer) naturally leads me to damp places. I was so bad I could not walk, and at night I suffered fearfully; I tried Balsams, Sarsaparillas and all kinds of tinctures, but they did me no good and I was afraid of being a cripple. I finally commenced using Brandreth's Pills. I took two every night for ten nights, then I began to improve. I continued taking them for forty days and I got entirely well. Now, whenever I take Brandreth's Pills, they never fail. J. N. HARRIS.

### Afflicted with Boils.

PRINGLE, GA.,  
April 25, 1888.

Swift's Specific Co., Atlanta, Ga.—Gentleman: Allow me to say that S. S. S. has proved to be as good as it is recommended to be. About six years ago I was afflicted with boils. They began in February and continued until fall. My body was covered with the corrupted matter. I used S. S. S. and can safely say that I have not had a single boil since. S. S. S. will always do the work. You can use this certificate for the good it may do others. R. W. BROOKS.

Pringle, Washington Co., Ga.

WACO, TEXAS, May 9, 1888.

Gentleman: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and she commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a hearty, fine-looking lady, with no trace of the affliction left. Yours very truly,

### Your House on Fire.

Not the house of wood, or brick, or stone, in which you live, but your bodily tenement may be in terrible danger from smoldering fire which you make no effort to quench. The great danger from impure blood is that it debilitates the system, and the digestive organs grow weak and inactive. Hood's Sarsaparilla combines the best blood and liver invigorators with the best alteratives and tonics, all from the vegetable kingdom, carefully and understandingly prepared in a concentrated form. It purifies, vitalizes, and enriches the blood, and tones up the system, giving the whole body vitality, and effectually guarding it against the attacks of diseases.

### Did You ever?

W. H. Revels, M. D., of Baltimore, Md., says: "I have been in the practice of medicine for over eighteen years, but never have I seen the equal of Hodges' Sarsaparilla. It has worked miracles here in curing Rheumatism and Scrofula. Have almost come to the conclusion that I cannot practice without it." Sold by M. A. McFarland.

### Day and Night

During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, dry, hacking cough, afflict the sufferer. Sleep is disturbed, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords speedy relief and cure in cases of Bronchitis. It controls the disposition to cough, and induces refreshing sleep.

I have been a practicing physician for twenty-four years, and, for the past twelve, have been attending to cases of Bronchitis. After exhausting all the usual remedies

### Without Relief,

I tried Ayer's Cherry Pectoral. It helped me immediately, and effected a speedy cure. —G. Stovall, M. D., Carrollton, Miss. Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for Chronic Bronchitis, and all lung diseases. —M. A. Rust, M. D., South Paris, Me.

I was attacked, last winter, with a severe Cold, which, from exposure, grew worse and finally settled on my lungs. By night events I was reduced almost to a skeleton. My cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption. —S. T. Henderson, Sausalito, Cal.

For years I was in a decline. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a sudden cold I always resort to the Pectoral, and find speedy relief. —Edward E. Curtis, Randolph, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became fearful that the disease would terminate in Pneumonia. After trying various medicines, without benefit, he finally prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine a short time, and was cured. —Ernest Colton, Loganport, Ind.

### FOUND BY ACCIDENT.

BALTIMORE, MD., January 28th, 1888.—I have been a sufferer for six years with Catarrh, Ulcerated Sore Throat, and Rheumatism of the Chest, from Blood Poison. About four weeks ago I was passing the Botanic Blood Balm, No. 8 North Street, Baltimore. I went in and consulted your agent about my case. He gave me one of your B. B. B. 'Books of Wonders,' which I read. I called in a few days afterwards and got a bottle of your Botanic Blood Balm—B. B. B. I am now on third bottle and will say that I have felt a marked improvement since the third day after commencing to use your medicine. I now have no trouble from my throat, and have improved so much in every way that I am satisfied that by the use of your medicine I will soon be all right.

I have taken many and some good prescriptions and medicines for this trouble, but I think your B. B. B. is the best remedy I have had, and I cheerfully recommend your 'Botanic Blood Balm' to the public as the quickest and best Blood remedy I have found, after six long years of search for health. Very Respectfully,  
JOSEPH W. FLOWERS.

### Two Ways. Choose Which!

There are two usual ways of doing what Nature sometimes does incompletely, namely, to relieve the bowels. One is to swallow a drastic purgative which evacuates profusely, abruptly and with pain, the other is to take Hostetter's Stomach Bitters, the effect of which is not violent, but sufficiently thorough, and which does not gripe the intestines. If the first is selected the person employing it need not expect permanent benefit, and he cannot hope to escape the debilitating reaction which leaves the organs as bad or worse off than before. If on the other hand, he resorts to the Bitters, he can rely upon the restoration of a regular habit of body, consequent upon a renewal of a healthy tone in the intestinal canal. Besides healthfully relaxing the bowels, the Bitters assumes a dormant liver, imparts a beneficial impetus to the action of the kidneys, and counteracts the early tendencies of rheumatism, a tendency to jaundice and malaria in all its forms.

### Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. Distress after eating, sour stomach, sick headache, heartburn, loss of appetite, a faint, "all gone" feeling, bad taste, coated tongue, and irregularity of the bowels, are some of the more common symptoms. Dyspepsia does not get well of itself. It requires careful, persistent attention, and a remedy like Hood's Sarsaparilla, which acts gently, yet surely and efficiently. It tones the stomach and creates a good appetite, and by the removal of the local symptoms removes the sympathetic effects of the disease, banishes the headache, and refreshes the tired mind.

"I have been troubled with dyspepsia. I had but little appetite, and what I did eat I could not digest. I was in an hour heart-burn after eating I would experience a faintness, or tired, all-gone feeling, as though I had not eaten anything. My trouble, I think, was aggravated by my business, which is that of a painter, and from being more or less shut up in a room with fresh paint. Last spring I took Hood's Sarsaparilla—took three bottles. It did me an immense amount of good. It gave me an appetite, and I had renewed and satisfied the craving I had previously experienced."
